

Corporate Governance Report

The Board of Directors of the Company (the “Board”) is pleased to present the Corporate Governance Report of the Company for the year ended 31 December 2022.

1 Commitment to Corporate Governance

The Company acknowledges the importance of good corporate governance practices and procedures and regards a pre-eminent board of directors, sound risk management and internal controls, and accountability to all shareholders as the core elements of its corporate governance principles. The Company endeavours to ensure that its businesses are conducted in accordance with all applicable rules and regulations, and codes and standards.

2 Corporate Governance Code

During the year ended 31 December 2022, the Company complied with the applicable code provisions set out in the Corporate Governance Code (the “CG Code”) as stated in Appendix 14 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”), with the exception that the roles of the chairman and the chief executive officer of the Company have not been segregated as required by the CG Code. The Company is of the view that it is in the best interest of the Company that each of Dr Lee Ka Kit and Dr Lee Ka Shing, with his relevant in-depth expertise and knowledge in the Group’s business, acts in the dual capacity as Chairman and Managing Director of the Company. Although the roles of the chairman and the chief executive officer of the Company have not been segregated, powers and authorities have not been over-concentrated as all major decisions are made in consultation with Board members as well as appropriate Board committees and senior management, who possess the relevant knowledge and expertise. Hence, the current arrangements are subject to adequate checks and balances notwithstanding such deviation.

3 Board of Directors

(a) Responsibilities of and Support for Directors

The Board nourishes the Company’s culture and strives to promote the desired culture at the Company, and ensures it aligns with the Company’s purpose, values and strategy. The Board has the responsibility for managing the Company, which includes formulating a corporate strategy and a long term business model, directing and supervising the Company’s affairs, approving the Company’s financial reports and the relevant results announcements, considering dividend policy and approving the issue, allotment or disposal, or grant of options, in respect of securities or debentures of the Company. The Board makes broad policy decisions and has delegated the responsibility for detailed considerations and implementation of the above matters to the Board’s standing committee (the “Standing Committee”) and, where appropriate, other specific committees.

The day-to-day management, administration and operation of the Company are delegated to the management team. The Board gives clear directions to the management as to their powers of management, and circumstances in which the management should report back.

Every Director ensures that he/she gives sufficient time and attention to the affairs of the Company. Each Director shall disclose to the Company at the time of his/her appointment the directorships held in listed companies or nature of offices held in public organisations and other significant commitment, with the identity of such listed companies or public organisations. The Company has also requested Directors to provide in a timely manner any change on such information. Each Director is also required to disclose to the Company his/her time commitment. The details of the Directors' time commitment are disclosed under the sub-paragraph "Directors' Time Commitment and Training" below.

All Directors have full and timely access to all relevant information as well as the advice and services of the Company Secretary, with a view to ensuring that Board procedures and all applicable rules and regulations are followed. The Directors will be notified of code provision amendment updates in respect of the CG Code so as to be kept abreast of the latest requirements and be assisted in fulfilling their responsibilities. The Directors are also provided with monthly updates which contain periodic financials with summaries of key events, outlook and business related matters of the Group. A List of Directors and their Role and Function is available on the Company's website.

Corporate Governance Report

The Board comprises male and female Directors with diverse backgrounds and/or extensive expertise in the Group's businesses. The Board also has a balanced composition of Executive and Non-executive Directors so that there is a strong independent element on the Board, which can effectively exercise independent judgement. The Board considers that each of the Non-executive Director and Independent Non-executive Directors brings his/her own relevant expertise to the Board.

The Board has established mechanisms to ensure that independent views are available to the Board. The full text of the mechanisms is available on the Company's website and a summary of which is set out below:

(i) *Composition*

The Board ensures the appointment of at least three Independent Non-executive Directors and at least one-third of its members being Independent Non-executive Directors (or such higher threshold as may be required by the Listing Rules from time to time), with at least one Independent Non-executive Director possessing appropriate professional qualifications, or accounting or related financial management expertise. Further, Independent Non-executive Directors will be appointed to Board Committees as required under the Listing Rules and as far as practicable to ensure independent views are available.

(ii) *Independence Assessment*

The Nomination Committee strictly adheres to the Nomination Policy with regard to the nomination and appointment of Independent Non-executive Directors, and is mandated to assess annually the independence of Independent Non-executive Directors to ensure that they can continually exercise independent judgement.

(iii) *Compensation*

No equity-based remuneration with performance-related elements will be granted to Independent Non-executive Directors as this may lead to bias in their decision-making and compromise their objectivity and independence.

(iv) *Board Decision Making*

Directors (including Independent Non-executive Directors) are entitled to seek further information from the management on the matters to be discussed at Board meetings and, where necessary, independent advice from external professional advisers at the Company's expense.

A Director (including Independent Non-executive Director) who has a material interest in a contract, transaction or arrangement shall not vote or be counted in the quorum on any Board resolution approving the same.

During the year ended 31 December 2022, the Board at all times met the requirements of the Listing Rules relating to the appointment of Independent Non-executive Directors as mentioned in item (i) above.

The Company has received confirmation in writing of independence from each of the Independent Non-executive Directors and considers them to be independent of the management and free of any relationship that could materially interfere with the exercise of their independent judgement.

(c) Appointment and Re-election of Directors

The Board is empowered under the Company's Articles of Association ("Articles") to appoint any person, as a Director, either to fill a casual vacancy on or to be an additional member of the Board. Only the most suitable candidates who are experienced and competent and able to fulfill the fiduciary duties and exercise reasonable care, skill and diligence would be recommended to the Board for selection. Appointments are first considered by the Nomination Committee in accordance with its terms of reference with due regard to the Company's Nomination Policy and Board Diversity Policy, and recommendations of the Nomination Committee are then put to the Board for decision.

In accordance with the Articles, new appointments to the Board are subject to re-election at the next following Annual General Meeting of the Company ("AGM"). Furthermore, nearest one-third of the Directors shall retire from office by rotation but are eligible for re-election at the AGM. The Board will ensure that every Director (including every Non-executive Director) is subject to retirement by rotation at least once every three years. Each Director was appointed by a letter of appointment setting out the key terms and conditions of his/her appointment.

The appointment of Independent Non-executive Directors adheres to the guidelines for assessing independence as set out in Rule 3.13 of the Listing Rules. Mr Au Siu Kee, Alexander ("Mr Au"), an Independent Non-executive Director, has the following directorships which fall within the independence guideline in Rule 3.13(7) of the Listing Rules:

- (i) Mr Au is currently the chairman and a non-executive director of Henderson Sunlight Asset Management Limited ("HSAM"), a subsidiary of the Company and the manager of the publicly-listed Sunlight Real Estate Investment Trust ("Sunlight REIT"). Sunlight REIT is regarded as a core connected person of the Company for the purpose of the Listing Rules. As Mr Au plays a non-executive role in HSAM, and Sunlight REIT is not a subsidiary of the Company, the Company considers that such non-executive role in HSAM has no bearing on Mr Au's independence.
- (ii) Mr Au is currently also a non-executive director of Hong Kong Ferry (Holdings) Company Limited, an associated company of the Company. As a non-executive director, Mr Au has not taken part in the day-to-day management of and has had no executive role in such company. The Company considers that Mr Au's role in such company has no impact on his independence as an Independent Non-executive Director of the Company.

(d) Board Meetings

(i) *Number of Meetings and Directors' Attendance*

The Board meets from time to time and at least four times a year to discuss and exchange ideas on the affairs of the Company. During the year ended 31 December 2022, the Board held four meetings to approve interim/final results announcements and interim/annual reports, to determine the level of dividends, to discuss significant issues and the general operation of the Company, and to approve matters and transactions specifically reserved to the Board for its decision. During the year, the Independent Non-executive Directors held a meeting among themselves. In addition, the Chairmen held a meeting with the Independent Non-executive Directors without the presence of other Directors in accordance with the CG Code.

Corporate Governance Report

(ii) *Practices and Conduct of Meetings*

Notices of regular Board meetings are given to all Directors at least 14 days before the meetings. For other Board and committee meetings, reasonable notice is generally given. Meeting agenda and accompanying Board papers are sent to all Directors in a timely manner and at least three days before the Board/committee meetings.

The Company Secretary of the Company is responsible for taking and keeping minutes of all Board and committee meetings. Draft minutes are circulated to Directors for comment within a reasonable time after each board meeting and the final signed version is open for Directors' inspection with copies sent to all Directors for their records.

(e) **Conflict of Interest**

If a Director has a material interest in a matter of significant nature to be considered by the Board, a physical meeting or meeting by video conference will be held to discuss such matter instead of seeking Directors' written consent by way of circulation of written resolution. In accordance with the Articles, such Director who is considered to be materially interested in the matter shall abstain from voting and not be counted in the quorum.

(f) **Director's and Officer's Liability Insurance**

The Company has arranged director's and officer's liability insurance to indemnify the Directors and senior management against any potential liability arising from the Company's business activities which such Directors and senior management may be held liable.

The Company also keeps Directors indemnified against any claims to the fullest extent permitted by the applicable laws and regulations arising out of the Directors' proper discharge of duties except for those attributable to any gross negligence or wilful misconduct.

(g) **Directors' Time Commitment and Training**

Each Director had ensured that he/she had given sufficient time and attention to the affairs of the Company for the year. Directors have disclosed to the Company the nature of offices held in Hong Kong or overseas listed public companies or organisations and other significant commitments, with the identity of the public companies and organisations and an indication of the time involved. Directors are encouraged to participate in professional, public and community organisations. They are also reminded to notify the Company of any change of such information in a timely manner. Other details of Directors, including their directorships held in listed public companies in the past three years, are set out in the biographical details of Directors on pages 163 to 168 of this Annual Report.

During the year, a presentation for the Board on global political landscape, and presentations on various topics at monthly managers meetings where Executive Directors attended were arranged. Legal and regulatory updates are provided from time to time to the Directors for their reading. Directors are also encouraged to attend outside talks and seminars to enrich their knowledge in discharging their duties as a director. On a regular basis, information on seminars organised by professional bodies is provided to the Directors, and the seminar enrolments are handled by the company secretarial department.

The Group observes a strict code of ethics in all spheres and has no tolerance for any form of corruption or other misconduct. In order to reinforce awareness of our Directors on preventing corruption, we regularly provide anti-corruption training for the Directors which include legal and regulatory updates as well as anti-corruption training materials in the form of footages made by the Independent Commission Against Corruption.

According to the training records provided by the Directors to the Company, they participated in continuous professional development in 2022 which included attending seminars and talks, and reading legal and regulatory updates and other reference materials. Diversity and inclusion are important elements to a company's sustainability efforts. The Company recognises the benefits of having a diverse Board and has adopted the Board Diversity Policy to achieve it. Having considered the Board structure and various factors, the Nomination Committee is satisfied that the Board has an appropriate structure with a diversity of members in terms of knowledge, skills and experience. Gender diversity has also been achieved by having two female directors on the Board which exceed the minimum requirement of the Listing Rules. In striving to maintain gender diversity, the Board has endorsed the Nomination Committee's recommendation that it should continue to have at least two female directors on the Board.

Corporate Governance Report

As regards succession planning, the Nomination Committee will deploy multiple channels to identify suitable director candidates, including referral from Directors, shareholders, management, advisors of the Company and external executive search firms as and when appropriate. The Board is committed to further enhancing gender diversity as and when suitable candidates are identified.

The Company places tremendous emphasis on gender diversity across all levels of the Group. As at 31 December 2022, the proportion of female representation at the workforce of the Group and at the senior management of the Company were approximately 47% and 22% respectively. Notwithstanding that gender diversity for construction business segment of the Group may be less relevant due to the nature of work, the overall workforce gender of the Group is relatively balanced, with a higher female employee base driven by the department store operation. It is considered that gender diversity in the senior management of the Company has been achieved. The Company would try to maintain the existing gender ratio in the senior management and further enhance gender diversity when appropriate.

The risk management of the Group combines a top-down strategic view with a bottom-up operational process.

Each department of the Group is responsible for identifying its own risks and designing, implementing and monitoring the relevant risk management and internal control systems. The process involves the maintenance of risk register setting out the particulars of material risks together with the control measures as reported by significant departments of the Group. This bottom-up approach is embedded in the operations of the Group and complements the top-down strategic view by identifying the principal risks and ensuring the significant risks to be considered by the Board in determining the risk appetite.

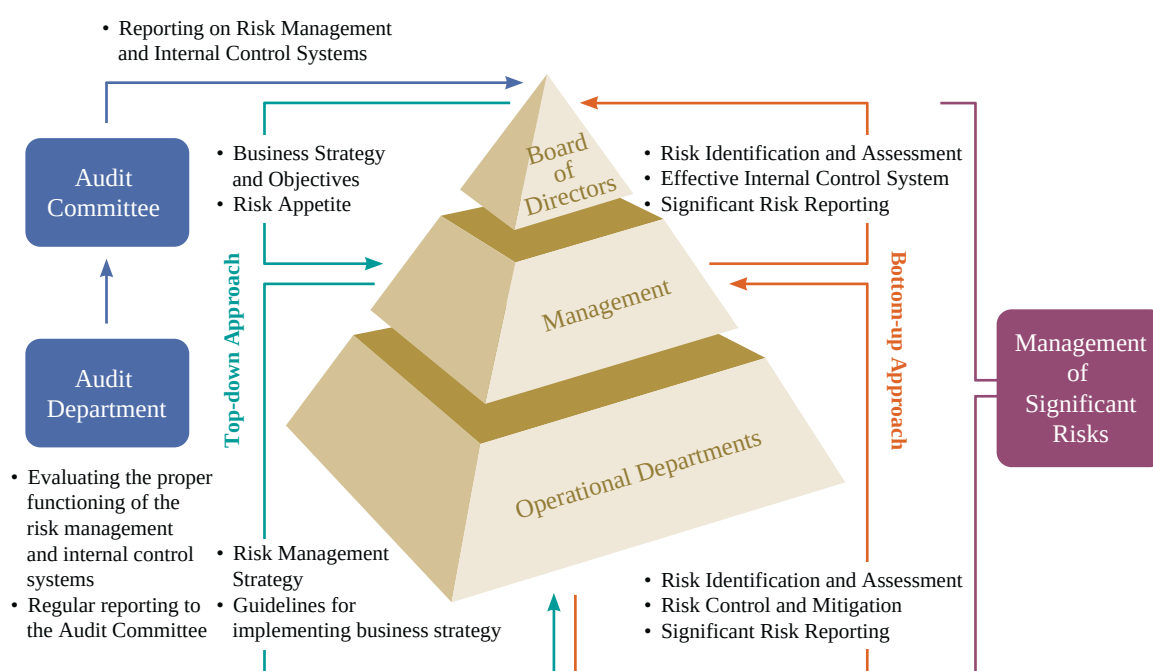

The terms of reference of the Audit Committee include, among other things, the responsibility of reviewing the risk management and control systems. In addition, a risk management policy has been adopted to serve as a guideline for risk management and internal control systems and such policy is available on the Company's website.
